Gola system

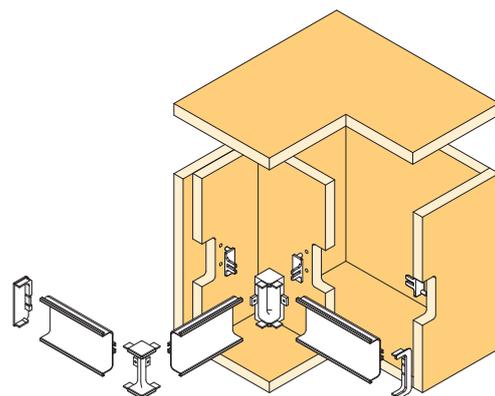

- A system for handleless door opening. Horizontal profiles (mostly for use in the kitchen) and vertical profiles (for wardrobes) are included.

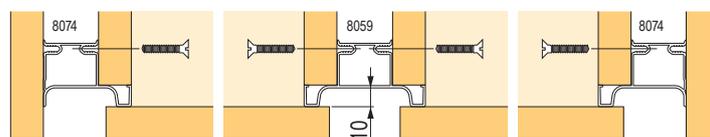

horizontal door "J" profile

horizontal drawer "C" profile

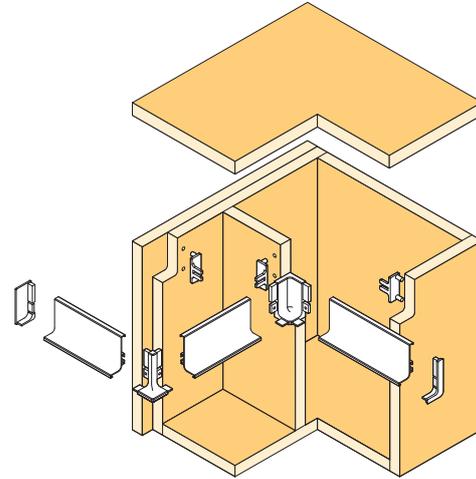

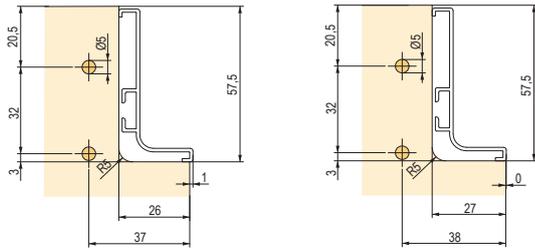

vertical profiles (side and centre)

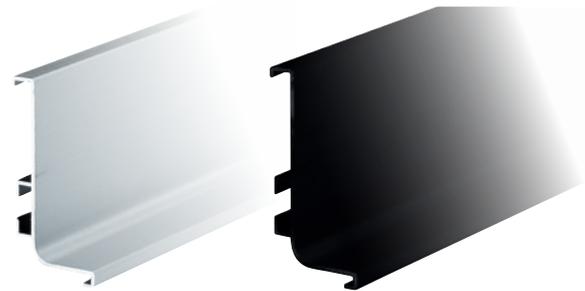

Horizontal profile Gola

Door J profile 4,100 mm

stainless steel imitation	anodised aluminium	white polished	black matt
228304	151631	284149	404389

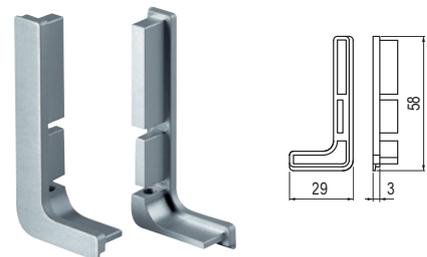

- profile under the worktop

- the mounting dimensions apply for profile overlap of 1 mm
- if you want a recessed and levelled profile, add 1 mm (37⇒38, 26⇒27)

Open end piece of door profile

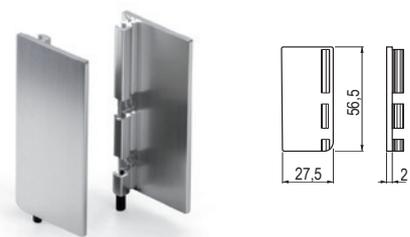

silver plastic	white polished plastic	black plastic	stainless steel imitation	anodised aluminium	black metal
232861	289124	404394	228305	151632	404397

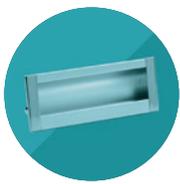

- set of R + L end pieces

Closed end piece of door profile

silver plastic	white polished plastic	black plastic	stainless steel imitation	anodised aluminium	black metal
284152	289121	404392	284150	284151	404399

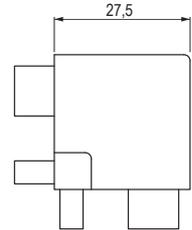

- set of R + L end pieces

Outer corner of door profile

stainless steel imitation	anodised aluminium	white polished	black plastic
228306	151717	284153	404393

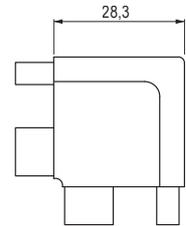

- material: aluminium

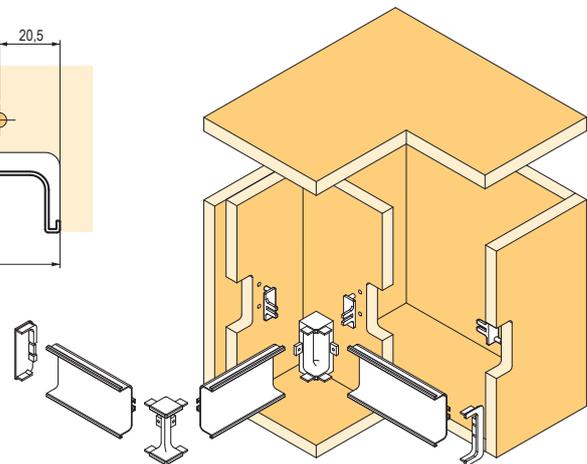

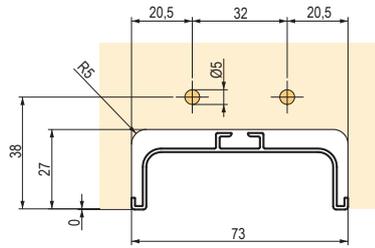

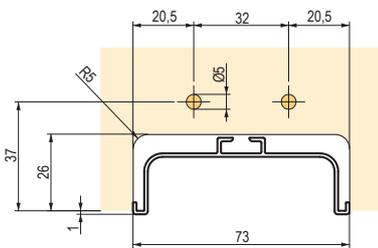

Inner corner of door profile

stainless steel imitation	anodised aluminium	white polished	black plastic
228307	151718	284154	404391

- material: aluminium

Drawer C profile 4,100 mm

stainless steel imitation	anodised aluminium	white polished	black matt
228308	151732	284155	404404

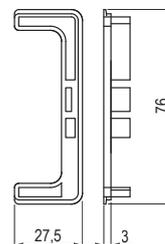

- profile for using between drawers one above the other
- the mounting dimensions apply for profile overlap of 1 mm
- if you want a recessed and levelled profile, add 1 mm (37 ⇨ 38, 26 ⇨ 27)

Open end piece of drawer profile

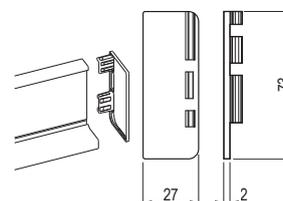

silver plastic	white polished plastic	black plastic	stainless steel imitation	anodised aluminium	black metal
232862	289123	404414	228309	151785	404415

- set of R + L end pieces
- do not use if the profile is between the cabinet sides

Closed end piece of drawer profile

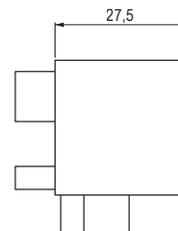

silver plastic	white polished plastic	black plastic	stainless steel imitation	anodised aluminium	black metal
284158	289122	404406	284156	284157	404417

- set of R + L end pieces
- do not use if the profile is between the cabinet sides

Outer corner of drawer profile

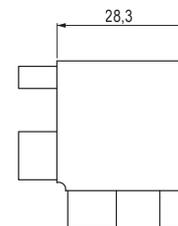

stainless steel imitation	anodised aluminium	white polished	black polished
228310	151786	284159	404413

- material: aluminium

Inner corner of drawer profile

stainless steel imitation	anodised aluminium	white polished	black matt
228311	151821	284160	404405

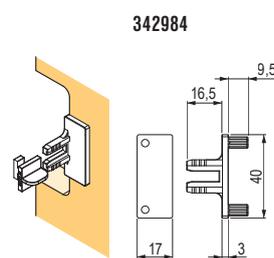

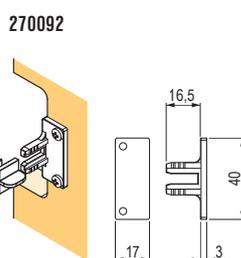

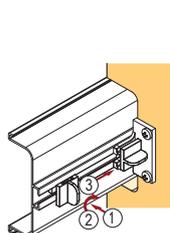

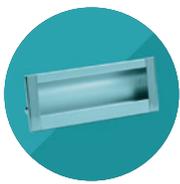

- material: aluminium

Drawer and door profile fasteners

plastic	plastic, fastener with pins
270092	342984

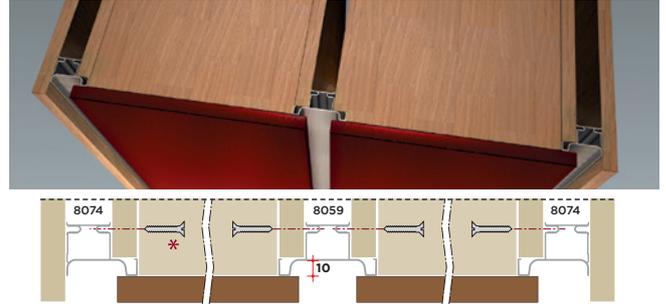

- set of 2 fasteners for fixing the profile to the sides of the cabinet
- a sophisticated solution for mounting the profile into an assembled cabinet

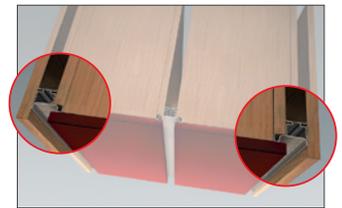

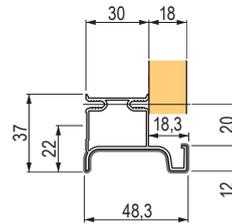

Vertical profiles Gola

- profiles for handleless opening of cabinet doors
- 2 types available – side and centre
- mounting with self-tapping screws 4.2 mm

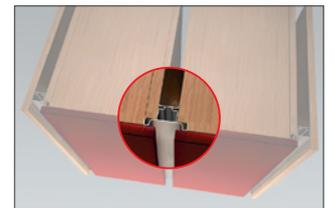

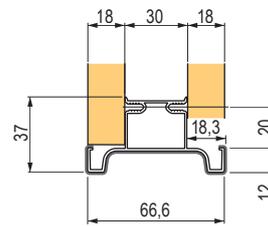

Side profile 4,500 mm

stainless steel imitation	anodised aluminium	white polished	black matt
284161	235811	284162	404419

Rubber handle pad

for mounting in glass

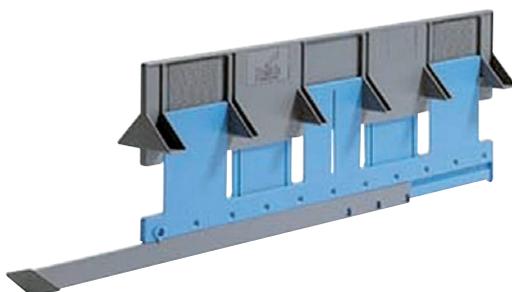

- For proper operation, use 2 pads per one bolt. Metal must not lie directly on glass.
- Transparent, for bolt diameter 4 mm.

rubber handle pad

08002

BlueJig handle hole marking jig

- Universal BLUEJIG marking jig with two-axis adjustment for quick and precise marking the drilling patterns.
- Designed for handles with a pitch of 32–320 (mm).
- Distance range from the side edge of the drawer front to the first mounting hole of the handle is 10–334 (mm).
- Distance range from the upper edge of the drawer front or from the lower edge of the drawer front to the handle is 20–65 (mm).
